Sporthotel Sillian

„Superior“ glistens behind the four stars of the Dolomiten Residenz****S Sporthotel Sillian, swathing the house in new alpine lifestyle. Our Dolomiten Residenz****S is only a few minutes' walk from the turnstiles to Hochpustertal cable cars and right opposite the Drau Cycle Path. There is now even more playroom for children and more “couple-time” for parents in the Wellnessresidenz Spa: family wellness and spa over 3,000 m². Indoor pool and heated outdoor swimming pool, designated children’s indoor pool with giant slide, baby pool with small slide, East Tyrolean mountain pine sauna, organic sweat room, herbal steam bath, Knight’s steam bath, invigorating showers, Kneipp foot baths, salt-stone grotto, quiet rooms with heated water beds and fresh East Tyrolean mountain spring water from the drink water fountain. Beauty and massage oases invite you to indulge in the essential pleasures of rest, relaxation and rejuvenation. Timber, leather and handcrafted details create a natural and welcoming ambience in the rooms and suites. What remains unchanged, however, are the high standards of hotel services and cuisine, as well as the central location of Dolomiten Residenz****S Sporthotel Sillian for activities such as cycling, hiking and much more. The perfect choice for holidays with excellent taste.

Just sillianous.
